## **Birmingham Black Barons (1963)**

### **Independent-Barnstorming Team**

At the start of the 1963 baseball season, Wardell Jackson (owner of the Black Barons) listed the following players in his press packet as being on the roster of the 1963 Birmingham Black Barons team. It is important to note that Jackson also owned the Philadelphia Stars, Champaign Eagles and Urbana Colts during the 1963 season. Several of the players listed in this first roster played most or all of their games during the 1963 season for the Philadelphia Stars.

The second Birmingham Black Barons roster listed here includes those players who played most or all of their games with the Birmingham Black Barons during the season.
